**Subject:** 5th Annual Great Pumpkin Halloween Charity Ball Prize Donations

Dear Sponsor,

Thank you for your consideration to provide prizes for the 5th Annual Great Pumpkin Halloween Charity Ball at St. Brigid's Center for the Arts and Humanities on Friday, October 28, 2011.

This 750 guest costume ball is the perfect venue to get your company name in front of potential customers in the best possible context — raising money for the Canadian Association for Disabled Skiing (National Capital Division).

There are two ways to participate — prize donation for charitable receipt (fair market value) or advertising your company name on our Website, tickets, posters, event signage, or other promotional collateral. For the latter, you will account for your contribution internally under your company promotion budget. Preference will be noted on the separate prize donor sheet.

Any way you choose to do it, your involvement and support will go a long way in making this year's party another smashing victory for the region's disabled skiers.

Thank you for your part in our success!

To Whom it May Concern:

We totally support this annual Great Pumpkin Charity Ball fundraiser being organized this year in support of the Canadian Association for Disabled Skiing – National Capital Division (CADS-NCD).

CADS-NCD has been continuously providing and enhancing alpine skiing and snow boarding opportunities for persons with literally any disability in the Ottawa – Gatineau region for the past thirty two (32) years. We are a totally volunteer based organization and currently we have approximately 550 members, and we plan to continue expanding and developing our existing programs over the next 32 years.

Your generous donations will help CADS-NCD provide the resources and support we need for our six programs in the region: Ski Hawks Ottawa for the visually impaired at Camp Fortune, the week-end and extended programs for all disabilities at Calabogie Peaks, Edelweiss Valley, Mont Cascades, and Mount Pakenham; and the Race Program for competitive Para-Alpine ski racing.

Sincerely,

Bernie Simpson  
President
